Provided ACs need to be registered at

Lenovo LKMS website. Instructions will be provided in corresponding email. After Customer register Activation code in LKMS it automatically activates parts on VMware Portal. The License doesn't need to be activated on the VMware website (No PAC code provided). This is confirmed by email: "Your registration has completed the action required for the VMware License".

Dear Valued Customer:

Thank you for registering in the Lenovo Key Management System. We appreciate your business and welcome you to our long list of satisfied and much valued customers.

Your registration has completed the action required for the VMware License.

"Notice, there is no PAC code associated with the VMware License"

You received an additional registration email from Lenovo for the Subscription and Support (S&S) component of the order. Be sure to take action to complete that registration to receive your Product Activation Code (PAC). The S&S PAC is the only PAC you will need to complete your licensing. Once you have the S&S PAC code, please follow the instructions and redeem the S&S PAC with VMware.

Here is your recent order detail:

Part Number	Description	Quantity
